

# FULL WEDDING PLANNING

Our zero-stress, all-inclusive planning experience

What would it feel like to enjoy your engagement fully, knowing your wedding is being designed and executed with precision, discretion, and care, instead of spending literally hundreds of hours planning?

With over 10 years of experience in Ottawa's corporate and event planning industry, we offer access to a network of exceptional vendors and venues. Every detail is thoughtfully considered, every decision expertly guided, and every moment intentionally refined.

From initial concept to final farewell, your celebration unfolds effortlessly — allowing you, your family, and your guests to simply indulge in the experience.

This is why Full-Planning is a Favourite :

- Curated vendor sourcing, contract review, and full management
- Venue selection and walkthroughs
- Custom floor plans and elevated design direction (décor, floral, rentals)
- Budget development and financial oversight
- Guest RSVP and planning management via Aisle Planner
- Bespoke wedding weekend timeline creation
- Ceremony rehearsal coordination
- Up to 10 hours of wedding day management with Alesia and an Assistant Planner
